

# Bøger jeg har læst - Skattekasse 2

## 5 år

I de uger Skattekisterne rokerer, inddrages bøgerne fra Sproggaven. Husk der er bogfoldere til "Lasse-Leif" og "Muldvarpen". God mulighed for at lære materialerne godt at kende, når de skal bruges til vejledning af forældre.

### BEMÆRK:

Nogle af historierne findes i kompendier, og ligger derfor ikke separat som bøger i skattekisten. Antallet af bøger skal tjekkes på registreringslisten.
